IIIT Hyderabad Invites Applications for Software Engineers - 3 Positions

The International Institute of Information Technology Hyderabad is a world-class institution offering B.Tech., Master of Science by Research, Dual Degree (BTech + MS), MTech, and Ph.D. programs.

**Job Description**

As a PHP Developer, you will be responsible for developing web-based applications and websites using PHP programming language. You will work closely with other developers and designers to create scalable, robust, and high-performance applications that meet the needs of the institute.

**Job Responsibilities**

- Develop and maintain institute’s ERP applications and websites using PHP programming language
- Collaborate with other developers, designers, and stakeholders to define project requirements and objectives
- Write clean, efficient, and well-documented code
- Troubleshoot and debug applications
- Test and deploy web applications and websites
- Participate in code reviews and provide feedback to other developers
- Stay up-to-date with emerging trends and technologies in web development

**Skills & Experience**

- Bachelor’s degree in Computer Science, Information Technology, or a related field
- 3+ years of experience in PHP development or a related field
- Strong knowledge of PHP programming language and related technologies (e.g., MySQL, HTML, CSS, JavaScript)
- Experience with PHP frameworks such as Laravel or CodeIgniter
- Familiarity with tools such as GIT, JIRA, and Agile methodologies
- Strong analytical and problem-solving skills
- Excellent communication and collaboration skills
- Ability to work under pressure and meet deadlines
- Ability to work independently and as part of a team
- Experience with Mobile app development and payment gateways is a plus.

**Type of Role:** Consolidated position with a 1-year contract initially, which may be renewed based on performance and Institute’s needs.

**Pay:** Consolidated salary starts from **Rs. Rs. 7 Lakhs/annum** and considerations with experience or as per Institute’s norms.
