IIIT Hyderabad Invites Applications for AV Technician - 1 Position

The International Institute of Information Technology Hyderabad is a world-class institution offering B.Tech., Master of Science by Research, Dual Degree (BTech + MS), MTech, and Ph.D. programs.

Job Description
As an AV (Audio-Visual) Technician, you will be responsible for setting up and maintaining audio and visual equipment used in conferences, meetings, and events. You will work closely with other technicians, event organizers, to ensure that audio and visual systems are reliable and meet the needs of the event.

Job Responsibilities
• Install, set up, and maintain audio and visual equipment (e.g., microphones, speakers, projectors, etc)
• Test and troubleshoot audio and visual systems to ensure that they are functioning properly.
• Operate audio and visual equipment during events.
• Collaborate with event organizers and clients to ensure that audio and visual systems meet their needs.
• Provide technical support during events.
• Maintain and organize audio and visual equipment inventory.
• Stay up to date with emerging trends and technologies in audio and visual systems.

Skills & Experience
• Diploma/Degree in Electrical/Electronic Engineering or equivalent
• 2+ years of experience as an AV Technician
• Strong knowledge of audio and visual equipment and systems
• Familiarity with audio and visual connectors, cabling, and wiring
• Ability to work under pressure and meet deadlines.
• Strong analytical and problem-solving skills
• Excellent communication and collaboration skills
• Ability to work flexible hours, including evenings and weekends.
• Certification in any audio and visual systems is a plus.

Type of Role: Consolidated position with a 1-year contract initially, which may be renewed based on performance and Institute’s needs.

Pay: Consolidated salary starts from **Rs. 4 Lakhs/annum** and considerations with experience or as per Institute’s norms.
