IIIT Hyderabad Invites Applications for Software Engineer - 2 Positions (Application Integration)

The International Institute of Information Technology Hyderabad is a world-class institution offering B.Tech., Master of Science by Research, Dual Degree (BTech + MS), MTech, and Ph.D. programs.

Job Description
As an Application Integration Engineer, you will be responsible for integrating various software applications like Libsys/LMS/LDAP/biometric/RFID etc., used by the institute to ensure seamless functionality and data exchange between them. You will work closely with the stakeholders to design, develop, and implement integration solutions that meet the institute’s integration needs.

Job Responsibilities
• Design, develop, and implement integration solutions for various software applications used in the institute
• Develop and maintain data mapping and transformation processes
• Test and deploy integration solutions
• Troubleshoot and debug integration issues
• Develop and maintain integration documentation, including system manuals, user guides, and procedures

Skills & Experience
• Bachelor’s degree in Computer Science, Information Technology, or a related field
• 3+ years of experience in application integration or a related field
• Strong knowledge of integration platforms and technologies, such as ESB (Enterprise Service Bus), API (Application Programming Interface), and middleware
• Familiarity with integration tools and technologies such as MuleSoft
• Experience with web services and RESTful APIs
• Strong analytical and problem-solving skills
• Excellent communication and collaboration skills
• Ability to work under pressure and meet deadlines
• Ability to work independently and as part of a team
• Experience with cloud-based integration platforms such as AWS or Azure is a plus.

Type of Role: Consolidated position with a 1-year contract initially, which may be renewed based on performance and the Institute’s needs.

Pay: Consolidated salary starts from Rs. Rs. 7 Lakhs/annum and considerations with experience or as per Institute’s norms.
