

## **TERMS AND CONDITIONS**

### **Academic support for research team**

- The Conference registration support is 50,000 INR.
- This can be used for national/ international conference registration.
- Conference registration support can also be used for journal publication charges.
- Travel and accommodation support for National conference and/or IHub mobility events is 30,000 INR.
- Support is valid only for papers submitted/accepted within one year from the start date of the fellowship.
- An equipment budget with a cap of Rs. 20,000 is allotted per team. The equipment budget can be utilized for purchasing research equipment and software related to the project. These expenses must directly contribute to the research efforts as mentioned in the proposal. The equipment purchased is considered to belong to IHub-data and should be returned to IHub-data upon request.
- Pre-approval from the IHub committee is required before any expense (conference registration, travel and accommodation, equipment related).
- All expenses will be processed on reimbursement basis.

### **Conditions to avail academic support.**

- Inform about the conference/journal acceptance and registration details soon after the formalities are completed.
- The committee needs to approve the travel.
- The travel expense will be reimbursed after attending the conference.
- Please share necessary supporting documents (invoices, payment proofs, conference registration/participation proof etc.).

### **Acknowledgements**

- Please acknowledge iHub-Data at IIIT Hyderabad in your publications & presentations
