SPREAD YOUR WINGS AND ENGINEER YOUR FUTURE!

Always dreamt of becoming an engineer?

Here’s your chance to make that a reality!

IIIT-Hyderabad has opened a Special Channel (SPEC) for admission to its prestigious B.Tech in ECE and CSE programmes.

Am I eligible? Yes!

- If you have been selected for CBSE UDAAN training programme in 2016.
- If you are in your 4th semester in a six-year, 12th + B.Tech programme.

IIIT-Hyderabad is Deemed to be University. Its B.Tech. programme aims to provide core concepts and skills in the broad areas of engineering, sciences, mathematics and humanities, supported by hands-on learning or practice. Students are trained to understand concepts and apply them to develop solutions for real-life problems. Students can also choose to gain deep knowledge in an area of interest and earn the BTech degree with Honours. All our graduates enjoy good placements in top companies and gain admission to top universities worldwide.
