This meeting was confined to deliberating on the improvements and actions to be taken in various aspects pertaining to the Self-Study Report (SSR), which are illustrated below.

The members discussed the status of previous Annual Quality Assurance Reports (AQARs). The key criteria viz., 6&7 were deliberated, and a few members voluntarily agreed to contribute and complete the tasks very timely.

(i) Updates on Academics and RnD
Prof Kishore has suggested that student counseling and mentor-mentee practice can be channelized using the Student Life Office. He has also highlighted the flexibility that was given to the students during the end-semester exams while covering the updates pertaining to academics.

(ii) Status on Criteria
Prof Rajan has given a roadmap to all the members on how to complete the SSR exercise in a speedy manner.

Dr Radhika has updated the status of Student Life and Progression. Regarding, Student Support Services, it was also discussed to create awareness of societal conditions – field-based projects/courses that are integrated into select programs such as disaster management, computational natural sciences, and building science programs etc.

Dr Sachin has shared the backdrop on quality improvements undertaken in the field of ECE domain and shared the status on the conduct of green audits with the members.

Dr Aniket has given his views regarding Human Science relevance in the NAAC SSR.

In his vote of thanks, Dr Vijaya Sekhar has shared that IQAC, in consultation with the Technology Transfer Office (TTO) has organized an orientation program ‘Technology Licensing and Patenting’ for the faculty and students during the academic year.

The director in his remarks urged all the members to adhere to the timelines prescribed by regulatory agencies and suggested the members complete the SSR exercise by 30th October 2022.
